

Subject: Sunbelt Supply International – Opening of U.K. and Saudi Arabian sales offices

Date: 18-NOV-2008

Sunbelt Supply is herewith pleased to announce the opening of 2 new international offices in the European and Middle East markets.

Sunbelt Supply has appointed Scott Gower as the European & Middle East Sales Manager. Scott will support the existing key accounts and seek incremental business opportunities, building on the recent success and experience Sunbelt has in the EU market and the Middle East.

Scott Gower joins Sunbelt supply with 12 years experience in the Industrial valve and valve automation market, most recently as European Sales Manager for Velan Valves since 2003. Scott will work out of the office in the North West of England (Manchester).

Allen Nichley is appointed as Technical Sales Manager in the Sunbelt Saudi Arabian office. Sunbelt has signed an MOU with Saudi FAL, who will act as Sunbelt's local partner in Saudi Arabia. The office will consist of sales support, inventory and an automation shop.

Please contact Scott or Allen by phone or email to assist with any of your valve and valve automation needs.
